#### ◆ MONROE COUNTY TEEN BITTEN BY SHARK

A 12-year-old Madisonville boy faces weeks of therapy following a shark attack in Florida. Zachary Standridge was bitten on October 5th by what is believed to have been a bull shark. Zachary was wading knee-deep in the Gulf of Mexico at Destin, Florida, when the attack occurred. He ran screaming from the water. His right arm had been bitten to the bone in two places. He has already undergone plastic surgery, and now faces 10 weeks of therapy. His mother, Katie, says Zachary had planned to play football this year, but that will have to wait. Meantime, he is learning to throw with his left hand. He is shown in the photo with his dad, Scot. (Photo from the Northwest Florida Daily News)

### "Keep Off the Grass" & the Roof

If you've driven by the Recycle Center on Rocky Mount Road in Athens lately, you've probably noticed the white plastic igloos are now covered with grass. The building is home to the Keep McMinn Beautiful offices. Note the unusual sign to the left saying "Keep Off Building." It could also say "Keep off the grass."
