### LOCAL & AREA NEWS

#### ◆ AUB SAYS MORE OUTAGES POSSIBLE

A power outage took place in the Athens area early Thursday morning, knocking off electricity to 1,689 customer accounts. The affected area ran from Ingleside Hills out Highway 30 and up Highway 39 into Cumberland Hills. AUB spokesman Wayne Scarbrough says the outage was very likely related to the powerful electrical storms earlier this week. Scarbrough says we can expect more outages down the road as lightning arrestors that were weakened during Monday night's storms fail without warning. He says these failures can happen a week from now, a month from now, or months down the road.
