LOCAL & STATE NEWS

◆ TWC'S HARRISON IS MAN OF THE YEAR

Stan Harrison, in the photo below, is the Athens Man of the Year. The J. Neal Ensminger Man of the Year Award was presented at last night's annual Athens Area Chamber of Commerce Awards Banquet. Harrison coached women's basketball at TWC for 24 years and is now coaching golf. He is also the director of TWC's Center for Christian Education and teaches in the Exercise and Sports Sciences Department of the college.

The Mother of the Year is Gail Anderson. Amber Garner was named Teacher of the Year. The Young Man of the Year award went to G. Hendree Harrison, Jr. The Business-Professional Person of the Year is Rhonda Whaley. The Farmer of the Year award was presented to Jonathan Pierce. The Chairman's Award was designated to Charlie Myers (posthumously) and the Diplomat of the Year is Dana Ferguson. The gavel was handed to Shane Sewell, who is the incoming Chairman for 2015.

NATIONAL AND WORLD NEWS

◆ A group of Senators has introduced legislation that would end the travel ban between the U.S. and Cuba. This is the first legislation following President Obama's executive action to start opening diplomatic relations with Cuba. Congress will need to pass legislation lifting the travel ban in order for all Americans to travel to the country located just 90 miles from the United States.

◆ Three American contractors were killed in a shooting incident at the international airport in Kabul, Afghanistan on Thursday. The shooter was wearing the uniform of an Afghan national policeman, but it was unclear if he was actually a member of the Afghan security forces or not.

◆ UNION GROVE FIRE DEPARTMENT UPDATE

In the latest developments concerning the Union Grove Volunteer Fire Department, the department's fire engine and brush truck have been removed from the fire hall and taken to a temporary location on County Road 285. The McMinn County government ordered them to be moved on Wednesday afternoon. Union Grove Fire Chief Alvin Shoemaker actually drove the trucks to the new location. County Mayor John Gentry says Union Grove volunteers will be able to continue to use the trucks and that moving the trucks was the "prudent" thing to do due to recent problems surrounding the Union Grove Fire Department including the theft of \$5,000 by the former treasurer and an arson fire at Shoemaker's Wrecker Service located next door to the fire station. Meanwhile, a community meeting will be held Monday night at 6 at Mt. Pisgah Baptist Church on Highway 68 to discuss organizing a new volunteer fire department for north McMinn County.
