◆ IT'S OFFICIAL--FOOD CITY IS COMING

People have been talking for months about the possibility of Food City coming to Athens. Now the news is out and it is official. Food City's parent company had their representative appear before the McMinn County Commission Monday night to ask for special tax incentives. The supermarket will be built in the Madison Park Shopping Center. Plans call for the new store to face West Madison Avenue, and it will include a gas station too. Construction is set to start in January with a completion date of next October.

◆ SHERIFF GUY GOES TO FACEBOOK FOR HELP

McMinn County Sheriff Joe Guy is taking to Facebook to try to find a burglary suspect. Sheriff Guy posted a photo of the burglar taken by a deer camera at a house on County Road 384. The sheriff says he has received about 100 Facebook messages and texts, with many of them giving the name of the suspect.
