◆ **WHAT DOES THAT RED "X" MEAN?**

If you have seen a sign with a red X or perhaps a red sign with a white X on the fronts of some houses in Athens, you may have wondered what the "X" represents. Several vacant houses have been marked with an "X" to warn firefighters that it is not safe to go inside to fight a fire. However, the houses can be sold or inhabited again if the owner makes the repairs needed to bring them back up to current building codes.
