Leadership McMinn Applications Now Open

Applications for Leadership McMinn's Class of 2024-2025 are currently available and will be accepted through Friday, August 16th. The program, sponsored by the Athens Area Chamber of Commerce, is a great way to learn about our wonderful community and make personal and business contacts that will last a lifetime.

More than 600 people have graduated from Leadership McMinn since the program's inception in 1988. The class will start in September meeting one day a month for 9 months. Each month, the Leadership McMinn class meets to explore different aspects of leadership and various challenges facing the community. Session topics include: local industry, government, criminal justice, history, community services, healthcare and volunteer opportunities. The group of 25 individuals selected to participate is exposed to the people, agencies, organizations, businesses and ideas that make McMinn County a great place to live, work and play.

"I learned so much about McMinn County by participating in this class and benefited greatly. I looked forward to each session as well as networking with my classmates. There was one common theme I took from each of our classes: people love living in McMinn County, and are proud of the work we do here." – Victoria White, DENSO.

Anyone interested in applying can contact the chamber by calling (423)745-0334 or by emailing Julie Simbeck at julie@athenschamber.org. You can also pick up an application at the Athens Area Chamber of Commerce's office at 13 N Jackson St. in Athens.
